EXPERIENCE

Walt Disney World, Beauty & the Beast Live on Stage - Orlando FL
Dance Captain, Sub-Lead, Sub-Fight Captain, Swing (AEA)

JUNE 2018 - PRESENT

- Work directly with the show director to maintain show quality, staging, motivation, and intention for all performers.
- Lead new performers through multiple successful rehearsal processes and contingency rehearsals every year.
- Created an executive summary for the Hollywood Studios GM that included a variety of data collected regarding the outcome of adding an additional show for an extended period of time.
- Developed a multitude of digital systems to create a more efficient operation and environmentally friendly space.
- Very adaptable and open to change. Must think fast and make quick decisions in multiple scenarios to produce the best show for the guests and experience for the cast members.
- Created all documentation and helped set choreography and staging for the most recent version of the show.

Spiral Monkey Marketing, Winter Park, FL
Senior Graphic Designer

NOVEMBER 2020 - MAY 2021

- Lead a team of designers, and communicated and collaborated directly with a multitude of clients to fully design and/or redesign responsive unique websites and full brand identities.
- Created operational guides for future designers to follow.
- Hand drew and designed multiple wall art murals for new office.

UCF Burnett Honors College, Orlando, FL
Senior Communications & Event Specialist

NOVEMBER 2020 - MAY 2021

- Re-imagined and redesigned responsive Word Press websites that increased viewer's time spent on site, clicks, and event sign-ups.
- Designed captivating marketing materials that vastly increased the number of donors, attendees at prestigious and student-centered events, traffic, and engagement on all social accounts, and clicks on weekly newsletters.
- Imagined, filmed, developed, and edited orientation video viewed by hundreds of new students and families.
